

Avoiding Danger-REALTOR Safety Tips

Safety at Open Houses

Tip 1

Upon entering a house for the first time, check all rooms and determine several “escape” routes. Make sure all deadbolt locks are unlocked to facilitate a faster escape.

Tip 2

Once inside, turn on the lights and open the curtains. These are not only safety procedures, but also great marketing tactics..

Tip 3

Make sure that if you were to escape by the back door, you could escape from the backyard. Frequently, high fences surround yards that contain swimming pools or hot tubs.
